ANSWER

**MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT
(SADHVI NIRANJAN JYOTI)**

(a): The number of houses sanctioned under Pradhan Mantri Awaas Yojana - Gramin (PMAY-G) in the country, State-wise including Jharkhand since inception i.e. 01.04.2016 till 01.02.2024 is given in Annexure-I.

(b): Year-wise and State-wise number of houses completed and houses yet to be completed during the last three years till 01.02.2024 under PMAY-G are given in Annexure-II (A) & Annexure-II (B).

(c): Year-wise and State-wise details of the amount of Central Share of funds released to the States/UTs during the last three years till 01.02.2024 under PMAY-G are given in Annexure-III.

(d): The PMAY-G is being implemented w.e.f. 1st April, 2016 to provide assistance to eligible rural households with an overall target

to construct 2.95 crore *pucca* houses with basic amenities by March, 2024. In addition, Government of India proposes to take up construction of two crores more houses to meet the requirements arising from increase in the number of households in the next five years.

(e): The identification of beneficiaries under PMAY-G is based on the housing deprivation parameters and exclusion criteria prescribed under Socio Economic Caste Census (SECC) 2011. These criteria are applied on SECC 2011 database and a system generated priority list of households from the database was deliberated upon in Gram Sabha meetings. After due verification by the Gram Sabhas and completion of Appellate Process, Gram panchayat-wise Permanent Wait List (PWL) is prepared. Thereafter, Awaas+ survey was conducted during January 2018 to March 2019 to identify those beneficiaries who, though are eligible for inclusion in PWL, but claimed to be left out from the SECC 2011. In this exercise, the States/UTs have uploaded details of additional households, which are also subjected to Gram Sabha verification and Appellate Process as explained above.
