ANSWER

**MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT
(SADHVI NIRANJAN JYOTI)**

- (a) The details of the funds allocated and released under Deen Dayal Antyodaya Yojana - National Rural Livelihoods Mission (DAY-NRLM) during the last three years, State-wise is given at Annexure.**
- (b) DAY-NRLM aims to reach-out to 10 crore women from rural poor households by Financial Year 2023-24. As on 31st January 2024 9.98 crore women have been mobilized into 90.39 Lakhs Self Help Groups (SHGs).**
- (c) & (d) DAY-NRLM is being implemented since 2011 in a mission mode with the objective of organizing the rural poor women into Self Help Groups (SHGs), and continuously nurturing and supporting them to take economic activities till they attain appreciable increase in income over a period of time to improve their quality of life and come out of abject poverty. The programme aims to ensure that at least one woman member from each rural poor household is brought into**

women SHGs and their federations within a definite time frame. Since 2013-14 women SHGs have cumulatively leveraged a credit of Rs.8.15 Lakh Crores from Banks to take up income generating activities.

This Ministry is also implementing the Start-up Village Entrepreneurship Programme (SVEP), as a sub-scheme under Deendayal Antyodaya Yojana - National Rural Livelihoods Mission (DAY-NRLM). The objective of the scheme is to help the rural poor (SHGs) to set-up enterprises at the village level in non-agricultural sectors. Besides providing start-up capital, a cadre of Community Resource Persons-Enterprise Promotion (CRP-EP) is set up to provide business support services to enterprises.

Aajeevika Grameen Express Yojana (AGEY) was launched in August 2017 as a sub-component of DAY-NRLM to provide safe, affordable and community monitored rural transport services to connect remote rural villages.

In addition, this Ministry is implementing Mahila Kisan SashaktikaranPariyojana (MKSP) as a sub-component of DAY-NRLM to empower women in agriculture. Under MKSP, the work is carried out in two domains - sustainable agriculture and Non-Timber Forest Produces (NTFP) activities. The livestock intervention is being implemented as a universal strategic intervention across both the domains.

DAY-NRLM has made significant efforts on creating value chain development interventions to enhance market linkages. The idea is to develop a complete business model to provide primary producers with end-to-end solutions from creating producer organizations to building marketing linkages.
