ANSWER

**THE MINISTER FOR FISHERIES, ANIMAL HUSBANDRY AND DAIRYING
(SHRI PARSHOTTAM RUPALA)**

- (a) The Department of Animal Husbandry & Dairying is not implementing any scheme under which compensation for the milk production is being offered. However Department is supplementing the efforts of the state government for milk production and implement various schemes to enhance milk production and productivity of bovines to meet the growing demand for milk and making dairying more remunerative to the rural farmers of the country.
- (b) Total milk production in the country as per Basic Animal Husbandry Statistics, 2023, is estimated as 230.58 Million tonnes in year 2022-23. However, the estimated categorized contribution of Cows is 119.68 Million tonnes, Buffaloes contribute 103.30 Million tonnes and

Goat contributes 7.6 Million tonnes in total milk production in year 2022-23. State-wise milk production in the country is placed at **Annexure-I**.

- (c) India is self-sufficient in meeting the demand of milk and milk products in the country. The import of milk and milk product is miniscule (0.03% of the total milk production) and does not contribute to the dairy supply in the country. Details of imports during April-Nov 2023 is provided below:
