ANSWER

MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SADHVI NIRANJAN JYOTI)

(a) In order to achieve the target of "Housing for All" in rural areas, the Ministry of Rural Development is implementing Pradhan Mantri Awaas Yojana- Gramin (PMAY-G) with effect from 1st April, 2016 to provide assistance to construct 2.95 crore pucca houses with basic amenities by March, 2024. The entire target of 2.95 crore under PMAY-G has been allotted among States/UTs. Out of the overall mandated target of 2.95 crore houses more than 2.94 crore houses have already been sanctioned to the beneficiaries and ~2.55 crore houses have already been completed as on 03.02.2024.

During the period of Covid-19 pandemic induced nation-wide lockdown, all construction activities including construction of houses under PMAY-G were also affected. In addition to this, cases of migration, unwillingness of beneficiaries, permanent succession of deceased beneficiaries, delay in allotment of land to beneficiaries the States/UTs landless bv and at General/Assembly/Panchayat elections, unavailability of building materials are the main challenges occurred in implementation of PMAY-G including the delay in release of Central & State Share from State Treasury to State Nodal Account of PMAY-G.

- (b) The State-wise details of Central Share of funds released and funds utilised by the States/UTs under PMAY-G during each of the last three years i.e. financial years 2020-21, 2021-22 and 2022-23 particularly in Tamil Nadu, Maharashtra, Odisha and Andaman and Nicobar Islands is given in Annexure-I.
- (c) The State-wise details of houses sanctioned by the States/UTs to the eligible beneficiaries and houses completed under PMAY-G during the last three years i.e. financial years 2020-21, 2021-22 and 2022-23 are given in Annexure-II.

The State/District-wise details of houses completed under PMAY-G can be seen at the programme website at www.pmayg.nic.in--->AwaasSoft--->Reports--->Houses completed in a financial year irrespective of target year.

The State/District-wise details of houses sanctioned under PMAY-G can be seen at the programme website at www.pmayg.nic.in---->AwaasSoft---->Reports---->Houses progress against the target financial year.

(d) To ensure that assistance is targeted to those who are genuinely deprived and that the selection is objective and verifiable, the beneficiaries under PMAY-G are identified using housing deprivation parameters given in the Socio Economic and Caste Census (SECC), 2011 data. The number of eligible beneficiaries available through the SECC database currently stands at 2.04 crore (approx.). The Government conducted an Awaas+ survey from January 2018 to March 2019 to identify those beneficiaries who claimed to have been left out under the 2011 SECC survey and thus prepared an additional list of potential beneficiaries. In order to fill the gap of approx. 91 lakhs (2.95 crore - 2.04 crore), Awaas+ data has been utilized. The entire target of 2.95 crore houses have already been allocated to all the States/UTs.

The State-wise details of number of beneficiaries yet to be sanctioned houses under PMAY-G (as on 03.02.2024) particularly in Tamil Nadu, Maharashtra, Odisha and Andaman and Nicobar Islands is given in Annexure-III.

- (e) The Ministry is taking the following initiatives to ensure timely completion of the houses under PMAY-G:
 - i. Regular review of progress at the level of Ministry.
- ii. Launch of PMAY-G analytic Dashboard for monitoring and supervision of the scheme.
- iii. Timely allocation of targets to the States/UTs and release of adequate funds.
- iv. Regular follow ups with the State to ensure release of central and state share of funds and provision of land to landless beneficiaries in rural areas.
- v. Awards to the best performing States/UTs, Districts based on performance index dashboard, thereby creating healthy competition and motivation among the States/UTs for achieving the set targets.
