(a) to(d) In view of the mandate of 100% Electronic Toll Collection (ETC) implementation, trials have been carried out at various fee plazas of National Highways since 1st November 2019. There has been a significant increase in the sales of FASTag and further, the collection of user fee through ETC has also seen a significant increase.

In order to increase awareness, advertisements and publicity campaigns have been initiated through various mediums across the country. Hoardings/banners have been fixed at fee plazas and prominent locations. Pamphlet distribution and FASTag purchases near fee plazas are further steps undertaken for achieving the ETC target. In addition, 'My FASTag App' has been developed by Indian Highways Management Company Limited (IHMCL) under NHAI to facilitate the commuters for purchasing FASTag.
