ANSWER

MINISTER OF AGRICULTURE AND FARMERS WELFARE

कृषि एवं किसान कल्याण मंत्री (SHRI NARENDRA SINGH TOMAR)

(a) to (c): State Governments have already been advised to explore the possibilities of upgrading the internet connectivity with internet service providers. As per the response received from the States, National Agriculture Market (e-NAM) platform is working properly and sufficient speed of internet connectivity has been provided to e-NAM mandis. Close monitoring of the progress through meetings at various levels and visits of the officers to e-NAM mandis is carried out. Various steps taken by the Government has led to inter-mandi and inter-State trade on e-NAM platform.
