(b) the steps taken to provide stoppage to train number 59297/59298 and 59212/59211 at Rana Bordi in district Porbandar?

ANSWER

MINISTER OF RAILWAYS AND COMMERCE & INDUSTRY

(SHRI PIYUSH GOYAL)

(a) There is Level Crossing No. 67 at Km 143/7-8 near Dhoraji on Jetalsar-Dhoraji section. This Level Crossing (LC) does not qualify for construction of ROB on cost sharing basis as traffic density is less than one Lakh. However, ROB at this location can be constructed on deposit terms provided State Government agrees to bear complete cost of construction and maintenance subject to its feasibility.

(b) At present, 59211/59212 Rajkot-Porbandar passenger has scheduled stoppage at Rana Bordi. However, stoppage of 59297/ 59298 Porbandar-Somnath passenger train at Rana Bordi is operationally not feasible, at present.
