(a) to (c) 'Public Health and Hospitals' being state subjects, such information is not maintained centrally.

However, as far as three Central Government Hospitals in Delhi i.e. Safdarjung, Dr. Ram Manohar Lohia and Lady Hardinge Medical College & Associated Hospitals are concerned, the online information regarding availability of Intensive Care Unit (ICU) beds and ventilators is being provided on respective hospital's website.

Further, centralised information regarding availability of Intensive Care Unit (ICU) beds and ventilators for above mentioned Central Government Hospitals is now available on website of Safdarjung Hospital. The URL of the website is as under:
