ANSWER

MINISTER OF RAILWAYS AND COMMERCE & INDUSTRY

(SHRI PIYUSH GOYAL)

(a): Yes, Sir.

(b): Ramanathapuram and Paramakkudi Railway stations are Non-Suburban Grade (NSG)-4 and NSG-5 category stations. Additional platform shelters have already been provided both at Ramanathapuram and Paramakkudi Railway stations. At Ramanathapuram station, granite flooring has already been provided and the work regarding granite flooring at Paramakkudi Railway station has been sanctioned. However, upgradation/modification of passenger amenities at railway stations like platform shelter, VIP restrooms, granite flooring, R.O. Plant etc. is a continuous process and works in this regard are undertaken depending upon need, volume of passenger traffic and inter-se priority, subject to availability of funds.
