ANSWER
MINISTER OF STATE FOR JAL SHAKTI
(SHRI RATTAN LAL KATARIA)

(a) & (b)  It is stated in the report of the CAG on Performance Audit of National Rural Drinking Water Programme (NRDWP) for the period 2012–17, that Ministry’s expectations that States would be able to compensate for reduced Central allocation by increasing their own financial commitment to the scheme taking into account the increased devolution based on the recommendations of the 14th Finance Commission, was belied.

(c)  As per the NRDWP Guidelines, 2009, fund was released to the State Water and Sanitation Missions (SWSM) till 2013-14. However, from 2014-15 onwards, funds were being routed through the State Government with a stipulation that these funds including State share would be transferred to SWSM within 15 working days.

(d)  For the year 2019-20, the first installment of fund under Jal Jeevan Mission (erstwhile NRDWP) was released to the State Governments with a stipulation that the same along with State matching share would be transferred to State nodal account within 15 working days.

(e)  Yes, Sir. State Governments are required to indicate the interest accrued under the programme fund and the same is to be utilized to achieve the programme objective.
