

**GOVERNMENT OF INDIA  
MINISTRY OF HEALTH AND FAMILY WELFARE  
DEPARTMENT OF HEALTH AND FAMILY WELFARE**

**LOK SABHA  
UNSTARRED QUESTION NO.4352  
TO BE ANSWERED ON 13<sup>TH</sup> DECEMBER, 2019**

**JOINT EFFORT FOR ELIMINATION OF TB**

**4352. SHRI RAHUL KASWAN:  
SHRI VINCENT H. PALA:**

Will the Minister of **HEALTH AND FAMILY WELFARE** be pleased to state:

- (a) the impact of the Joint Effort for Elimination of TB (JEET) programme in improving notifications from the private sector;
- (b) the State which has the highest proportion of TB patients being notified from the private sector along with the reasons therefor;
- (c) the number of other Public-Private Mix (PPM) schemes being implemented under the TB programme in various States, State/UT-wise;
- (d) the funds allocated by the Government and each State for such PPM schemes and funds disbursed to each district, State/UT-wise; and
- (e) the details of the new districts where new PPM schemes have been approved and those where it has been initiated/launched, State/UT-wise?

**ANSWER**

**THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND  
FAMILY WELFARE  
(SHRI ASHWINI KUMAR CHOUBEY)**

(a): JEET Project is implemented in 25 States/UTs with Patient Provider Support Agency (PPSA) in 45 cities and PPSA lite interventions in 385 districts.

The JEET Project has been implemented since May 2018.

In 2019 year, 5.6 lakh TB patients have been notified from private sector. 40% of notification of TB patients (2,15,145) from private sectors in the country, are contributed at the PPSA sites of the JEET Project in 2019.

(b): In 2019, Uttar Pradesh has the highest proportion of total TB patients notified in the country from private sector. This is due to its highest population.

(c): There are 22 PPM schemes being implemented under the TB programme in various States/UTs.

No. of PPM scheme projects, implemented under the TB programme in various State / UT wise is placed at **annexure-I**.

(d): The funds allocated under NHM, State/UT wise for such PPM schemes is placed at **annexure -II**.

Public health being a State subject, the primary responsibility of implementation of RNTCP lies with the State/UT Governments. However, under NHM, financial support is provided to the States/UTs as approved in the PIP plans annually. The details of funds disbursed by the State / UT to district is not maintained centrally.

(e): The “Guidance Document on Partnerships under RNTCP” for new PPM schemes has been launched on 16<sup>th</sup> November 2019.

Annexure 1 State-wise details of PPM Schemes (as of 2018)

State	No. of Projects	ACSM at Community level	ACSM for Youth	ACSM for PRI	Designated Microscopy Centre	Designated Microscopy cum Treatment Centre	Culture & DST	DR TB Centre	Corporate Hospital/ clinics involvement	TB Control in Urban Slums	Referral of TB HIV patients	TB-HIV intervention for High risk groups	Case Management & Reporting	Sputum Collection & Sputum Transport	Contact Tracing	Chemoprophylaxis	Adherence of TB cases	Lab Technician	Tuberculosis Unit Model
