ANSWER

MINISTER OF HUMAN RESOURCE DEVELOPMENT
(SHRI RAMESH POKHRIYAL 'NISHANK')

(a) to (d): The Right of Children to Free and Compulsory Education Act, 2009, mandates the appropriate Government to provide free and compulsory elementary education to every child of the age 6 to 14 years in a neighbourhood school. Section 12(1)(c) of RTE Act, 2009 provides for admission of children belonging to weaker sections and disadvantaged groups in the neighbourhood schools in Class I (or earlier) to the extent of at least 25 percent of the strength of that class.

Section 11 of the Right of Children to Free and Compulsory Education (RTE) Act, 2009 provides that in order to prepare children above the age of three years for elementary education and to provide early childhood care and education for all children until they complete the age of six years, the appropriate Government may make necessary arrangement for providing free pre-school education for such children.

For implementation of Section 12(1)(c) of the RTE Act, the respective State and UT Government which is the appropriate government under the RTE Act, are required to notify the disadvantaged groups and weaker sections, notify per child cost and start admissions in private un-aided schools as per the procedure laid down by the concerned State and UT Government.

The Central Government has been supporting States and UTs for implementation of various provisions of the Act including expenditure incurred towards reimbursement to private schools for admissions of children under Section 12(1)(c) from 2014-15. The support is provided on the basis of per-child cost notified by the concerned State and UT for children in class 1 and above.

The Department of School Education & Literacy has launched an Integrated Scheme for School Education-Samagra Shiksha by subsuming the erstwhile Centrally Sponsored Schemes of Sarva Shiksha Abhiyan (SSA), Rashtriya Madhyamik Shiksha Abhiyan (RMSA) and Teacher Education (TE) from 2018-19. It envisages the 'school' as a continuum from pre-school to Senior Secondary level for providing quality education and conducive learning environment.

Further, as per Section 7(1) of the RTE Act, 2009, The Central Government and the State Government shall have concurrent responsibility for providing funds for carrying out the provisions of this Act.

(e): The list of schools implementing and admitting students under RTE in Karur district of Tamil Nadu, as provided by the Government of Tamil Nadu, is at Annexure.
