ANSWER

MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI G. KISHAN REDDY)

(a) A comparison of crime rate (Crime Rate=Number of cases reported/Mid-Year projected population in lakhs) of various crime heads on crimes against women and children in the last few years shows no uniform trend. However, the Ministry has taken several steps to spread awareness amongst the citizens, sensitization of police officers at various levels, issuance of

advisories for compulsory registration of FIRs and penal provisions for nonregistration of FIRs etc. This has improved reporting of crimes against women.

- (b) National Crime Records Bureau (NCRB) compiles and publishes information on crimes in its publication "Crime in India". The published reports are available till the year 2018. The State/UT-wise and Crime-Head-wise details of cases registered under crime against women during the years 2014-2018 are available at Annexure-I and Annexure-II (A and B) respectively. The State/UT-wise and Crime-Head-wise details of cases registered under crime against children during the years 2014-2018 are available at Annexure-III and Annexure-IV (A and B) respectively.
- (c) to (f): 'Police' and 'Public Order' are State subjects under the Seventh Schedule to the Constitution of India. The responsibilities to maintain law and order, protection of life and property of the citizens including investigation and prosecution of crime against women and children rest with the respective State Governments. The State Governments are competent to deal with such offences under the extant provisions of laws.

However, Government has taken a number of initiatives for safety of women across the country, which are given below:

i. The Criminal Law (Amendment), Act 2013 was enacted for effective deterrence against sexual offences. Further, the Criminal Law (Amendment) Act, 2018 was enacted to prescribe even more stringent penal provisions including death penalty for rape of girls below the age

- of 12 years. The Act also inter-alia mandates completion of investigation and trials within 2 months. The Government has also enacted the Juvenile Justice (Care and Protection of Children) Act, 2015 in which there are special provisions to deal with children in the age group of 16-18 years who commit heinous offences, which will act as deterrent for such children. Further, amendments to the criminal justice system is an ongoing and continuous process.
- ii. Emergency Response Support System provides a pan-India, single internationally recognized number (112) based system for all emergencies, with computer aided dispatch of field resources to the location of distress.
- iii. The Ministry of Home (MHA) has launched a cyber-crime reporting portal on 20th September, 2018 for citizens to report obscene content.
- iv. Using technology to aid smart policing and safety management, Safe City Projects have been sanctioned in first Phase in 8 cities (Ahmedabad, Bengaluru, Chennai, Delhi, Hyderabad, Kolkata, Lucknow & Mumbai). The projects have been prepared by State Governments, taking into account the need for identification of hot spots for crimes against women for development of critical assets in various areas including infrastructure, technology adoption and capacity building in community through awareness programmers.

- v. MHA has launched the "National Database on Sexual Offenders" (NDSO) on 20th September, 2018 to facilitate investigation and tracking of sexual offenders across the country.
- vi. MHA has launched an online analytic tool "Investigation Tracking System for Sexual Offences" to monitor and track time-bound investigation in sexual assault cases in accordance with Criminal Law (Amendment) Act, 2018.
- vii. In order to improve investigation, MHA has taken steps to strengthen DNA analysis units in Central and State Forensic Science Laboratories. This includes setting up of State-of-the-Art DNA Analysis Unit in Central Forensic Science Laboratory, Chandigarh. MHA has also sanctioned setting-up and upgrading of DNA Analysis units in State Forensic Science Laboratories in 13 States/UTs.
- viii. MHA has notified guidelines for collection of forensic evidence in sexual assault cases and the standard composition in a sexual assault evidence collection kits to facilitate adequate capacity in manpower, training and skill building programs for Investigation Officers, Prosecution Officers and Medical Officers.
 - ix. In addition to the above-mentioned measures, MHA has been issuing advisories from time to time to States/UTs to deal with crimes against women, which are available at www.mha.gov.in.
