

GOVERNMENT OF INDIA
MINISTRY OF FISHERIES, ANIMAL HUSBANDRY AND DAIRYING
DEPARTMENT OF FISHERIES

LOK SABHA
UNSTARRED QUESTION NO.1481
TO BE ANSWERED ON 11TH FEBRUARY, 2020

Performance of Fisheries Sector

1481. SHRI D.K. SURESH:

Will the Minister of FISHERIES, ANIMAL HUSBANDRY AND DAIRYING मत्स्यपालन, पशुपालन और डेयरी मंत्री be pleased to state:

- (a) the details of the steps taken by the Government to promote fisheries in the country along with the funds allocated for the purpose in the last three years, State-wise;
- (b) whether it is a fact that the performance of the fisheries sector is declining in the country during the recent years; and
- (c) if so, the details thereof along with the output of inland fisheries recorded during the last three years and the reasons therefor?

ANSWER

THE MINISTER OF STATE FOR FISHERIES, ANIMAL HUSBANDRY AND DAIRYING

(SHRI PRATAP CHANDRA SARANGI)

(a): Realizing the immense scope for development of fisheries and aquaculture, the Government of India has restructured the Central Plan Schemes under an umbrella of Blue Revolution. The restructured Centrally Sponsored Scheme (CSS) on *Blue Revolution: Integrated Development and Management of Fisheries* was approved in December, 2015 by the CCEA with a total central budgetary outlay of Rs.3000 crore for five years (i.e. till end 2019-20). The major components of the CSS on Blue Revolution scheme are as under;

- i. Development of Inland Fisheries and Aquaculture,
- ii. Development of Marine Fisheries, Infrastructure and Post-harvest Operations,
- iii. National Scheme for Welfare of Fishermen
- iv. Monitoring, Control and Surveillance and other need-based Interventions (MCS),
- v. Institutional Arrangement for Fisheries Sector,
- vi. Strengthening of Database & Geographical Information System of the Fisheries Sector (SoDGIS),
- vii. National Fisheries Development Board and its activities(NFDB)

The Blue Revolution scheme, with its multi-dimensional activities, focuses mainly on increasing fisheries production and productivity from both aquaculture and fisheries resources in inland and marine sectors. Further, foreseeing the immense scope for development of fisheries and aquaculture sector, various initiatives have been taken by the Government of India through launching a '*Fisheries and Aquaculture Infrastructure Development Fund (FIDF)*' on 24th October, 2018, at a total outlay of Rs 7522.48 crore to assist in creating several infrastructural needs of the sector in the country. The Government of India has also extended the facility of Kisan Credit Card (KCC) to fisheries and animal husbandry farmers to help them meet their working capital needs. The KCC facility will help fishers and fish farmers to meet their short term working capital requirements. The State-wise funds allocated for development of fisheries during last three years is as annexed.

(b) and (c): The fish production in the country is growing at an annual average rate of 7% during recent years. The details of total fish production and the Gross Value Added (GVA) in the fisheries sector in the country during the last three years and current year are as under.

Fish Production (in Lakh Tonnes) and its Gross Value Added (GVA) in India					
Year	Marine	Inland	Total	Growth rate (%)	Gross Value Added (GVA) (in Rs. Crore) at current prices
2015-16	36.00	71.62	107.62	4.89	1,32,720
2016-17	36.25	78.06	114.31	6.22	1,54,421
2017-18	36.88	89.02	125.90	10.14	1,75,573
2018-19 (p)	37.10	97.10	134.20	6.60 (p)	N.A.

p- provisional

Statement referred to in reply to part (a) of the Lok Sabha Unstarred Question No.1481 due for answer on 11th February, 2020 put in by Shri D.K. Suresh, M.P (LS) regarding Performance of Fisheries Sector

State/UT -wise release in Fisheries Sector during 2016-17 to 2019-20(till date)

(Rs. in lakh)
