(a) to (c) : As per information received from Department for Promotion of Industry and Internal Trade, Ministry of Commerce and Industry, a proposal has been received for setting up of National Institute of Design (NID) in Telangana and a memorandum was submitted by Hon'ble Chief Minister of Telangana to Hon'ble Prime Minister in this regard.

The National Design Policy 2007, with a view to spreading quality education in design to all the regions of India stated setting up of four NIDs on the lines of NID, Ahmedabad. Accordingly, 4 new NIDs envisaged in the states of Andhra Pradesh, Assam, Madhya Pradesh and Haryana, located in Amravati, Jorhat, Bhopal and Kurukshetra respectively, were approved in the meeting of the cabinet held on 25.02.2014. All the 4 new NIDs have commenced academic activities and their campuses are under construction. As all four NIDs envisaged under the National Design Policy 2007 have been set up, there is currently, no plan to establish any new NID.
