  - v. The Prevention of Corruption Act, 1988 has been amended on 26.07.2018. It clearly criminalizes the act of giving bribe and will help check big ticket corruption by creating a vicarious liability in respect of senior management of commercial organizations.
  - vi. Central Vigilance Commission (CVC), through various orders and circulars recommended adoption of Integrity Pact to all the organizations in major procurement activities and to ensure effective and expeditious investigation wherever any irregularity/misconduct is noticed.

In addition, the CVC as an apex integrity institution has adopted a multi-pronged strategy and approach to combat corruption, which encompasses punitive, preventive and participative vigilance.
