ANSWER

**THE MINISTER OF STATE (INDEPENDENT CHARGE) OF THE
MINISTRY OF HOUSING AND URBAN AFFAIRS
(SHRI HARDEEP SINGH PURI)**

- (a). The focus of Atal Mission for Rejuvenation and Urban Transformation (AMRUT) is to provide basic infrastructure for water supply, sewerage & septage management, storm water drainage, non-motorised urban transport and development of green spaces & parks in 500 Mission cities.**

Under AMRUT, Ministry of Housing & Urban Affairs has approved all the State Annual Action Plans (SAAPs) amounting to ₹77,640 crore for the entire Mission including Central share

of ₹35,990 crore. So far, works have been completed for 2,482 projects costing ₹8,856 crore while 2,889 projects costing ₹64,764 crore are under implementation. Further, projects costing about ₹10,382 crore are at various stages of tendering. Some States/UTs have taken up projects in excess of their approved SAAP size. In such cases, the entire excess amount shall be borne by the State/UT.

For Karnataka, all the SAAPs amounting to ₹4,952.87 crore for the entire Mission have been approved including Central share of ₹2,318.79 crore. So far, works for 189 projects costing ₹935 crore has been completed while 207 projects costing ₹4,160 crore are under implementation. Four projects costing ₹24 crore are under tendering.

- (b). 27 cities have been selected under AMRUT in the State of Karnataka. The city-wise details of projects taken up under AMRUT by the State of Karnataka has been placed as Annexure-I.**
- (c). Under AMRUT, Central Assistance is not released project-wise or city-wise, but to the State/UT as per the Mission guidelines. The year-wise details of Central funds released to the State of Karnataka during the last three Financial Years and Utilisation Certificates (UCs) received has been placed as Annexure-II.**
