ANSWER

THE MINISTER OF STATE FOR JAL SHAKTI & SOCIAL JUSTICE AND EMPOWERMENT

(SHRI RATTAN LAL KATARIA)

(a) & (b) The National Perspective Plan (NPP) was prepared by the then Ministry of Irrigation (now Ministry of Jal Shakti) in August 1980 for water resources development through inter basin transfer of water, for transferring water from water surplus basins to water-deficit basins. Under the NPP, the National Water Development Agency (NWDA) has identified 30 links (16 under Peninsular Component & 14 under Himalayan Component) for preparation of Feasibility Reports (FRs). The details of above river linking projects viz., rivers, States concerned is given at **Annexure**.

(c) Under the Himalayan Component of NPP, the following links envisage benefits to the State of Bihar:

- 1) Manas-Sankosh-Teesta-Ganga (MSTG) link project
- 2) Kosi-Mechi link project (entirely lies in Nepal)
- 3) Kosi-Ghaghara link project
- 4) Chunar-Sone Barrage link project
- 5) Sone Dam-Southern Tributaries of Ganga link project

The Pre-Feasibility Report (PFR) of all the above links have been completed by NWDA and circulated to the concerned States.

The implementation of river link projects involves various steps. The stage of implementation of a project would be reached after its Detailed Project Report (DPR) is prepared with the consensus of concerned States and the requisite Statutory clearances are obtained. Thus, the implementation of the projects will take varying periods of time.

In addition to the above, out of the 10 intra-state link proposals received from Government of Bihar, NWDA completed PFRs of 7 link proposals. Subsequently, the DPRs of Kosi-Mechi and Burhi Gandak-Noon-Baya-Ganga link projects have been completed by NWDA.

ANNEXURE REFERRED TO IN REPLY TO PARTS (a) & (b) OF UNSTARRED QUESTION NO.†2380 TO BE ANSWERED IN LOK SABHA ON 05.03.2020 REGARDING "INTER-LINKING OF RIVERS".
