MINISTER OF WOMEN AND CHILD DEVELOPMENT

(a) to (c) As per the information available, most of the States are maintaining Kishori Health Cards for Adolescent Girls in Angawadi Centres (AWCs) to record the information about the weight, height, Body Mass Index (BMI) along with other services provided under the scheme. These health cards for all Adolescent Girls (AGs) are maintained at the AWCs.

Government is implementing Scheme for Adolescent Girls across the country including Satna district of Madhya Pradesh. The details of achievements/outcomes made under the scheme are marked on Kishori Card and the card also carries important milestones of Adolescent Girls' life including mainstreaming them into the schools etc.

As per the information received from State Government of Uttar Pradesh, at present 20 projects operating and per project 100 Kishori Health Cards were distributed in the Anganwadi Centres. The information about the maintenance of Kishori Health Cards by the States/UTs is at **Annexure-I**.

(d) The Funds released to States/UTs in the last three years are at **Annexure-II**. As per the information received from the Government of the Madhya Pradesh, Kishori Health Cards are not being maintained in the State.
