The State/UT-wise details of projects approved along with Central Assistance and number of houses sanctioned under PMAY-U Mission are at Annexure.**
- (d): **The validated demand of housing under PMAY-U Mission is based on the demand survey undertaken by States/UTs for assessing the actual demand of housing. The validated demand for the entire Mission period is around 112.24 lakh houses and so far, 103.62 lakh houses have been sanctioned against the target set of 97.92 lakh houses up to the year 2019-20.
