- (a) whether any proposal from the Government of Telangana has been received for establishment of Indian Institute of Science Education and Research;
- (b) if so, the details thereof and the action taken thereon; and
- (c) the time by which the said institute is likely to be established?

ANSWER

**MINISTER OF HEALTH AND FAMILY WELFARE; MINISTER OF SCIENCE AND
TECHNOLOGY; AND MINISTER OF EARTH SCIENCES
(DR. HARSH VARDHAN)**

स्वास्थ्य और परिवार कल्याण मंत्री, विज्ञान और प्रौद्योगिकी मंत्री और पृथ्वी विज्ञान मंत्री
(डॉ. हर्ष वर्धन)

(a) & (b): Ministry of Human Resource and Development is concerned with establishing Indian Institutes of Science Education and Research (IISER) in the country. A proposal from Government of Telangana, requesting Government of India for sanctioning an IISER in Hyderabad, State of Telangana was examined by Ministry of Human Resource and Development. That Ministry observed that setting up of such premier Institutions requires due consideration of availability of adequate and sustained resources with Government of India as they involve substantial capital and recurring expenditure. Accordingly, the matter for setting up new IISERs in the country has not been taken up by Ministry of Human Resource Development.

(c) In view of above position, question does not arise.
