- (b) if so, the details thereof, and if not, the reasons therefor;
- (c) the number of individuals who have availed of the HFD Compensation Scheme during the last two years, gender-wise; and
- (d) the details of expenditure incurred on promotional schemes and advertising campaigns with respect to Mission Parivar Vikas during the last two years?

**ANSWER
THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND
FAMILY WELFARE
(SHRI ASHWINI KUMAR CHOUBEY)**

(a) & b): Mission Parivar Vikas was rolled out in 146 high fertility districts in 2017 with the following objectives:

- Delivering assured services
- Initiating Promotional Schemes
- Ensuring commodity security
- Capacity building for enhanced service delivery
- Creating enabling environment.

The Government reviews progress in these districts by monitoring and studying their performance. The districts have shown increased uptake of family planning services under Mission Parivar Vikas:

- Almost 56% districts out of 146 have shown an increase in Sterilization services in 2018-19 compared to 2017-18.
- Male sterilization cases have increased by 36.4%, from 2017-18 to 2018-19.
- PPIUCD acceptance Rate has increased from 11.3% in 2017-18 to 12.1% in 2018-19.
- Over 5 lakh doses of injectable contraceptive Medroxy Progesterone Acetate (Antara program) given in 2018-19.

(c): Performance of Female and Male Sterilization during last 2 years is 17,05,661 and 18,795 respectively. However, the data regarding whether all have availed the compensation is not maintained centrally since Health is a state subject.

(d): The expenditure incurred on promotional schemes and advertising campaigns in Mission Parivar Vikas states during last two years is Rs. 144,18.02 lakhs
