**ANSWER  
THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND  
FAMILY WELFARE  
(SHRI ASHWINI KUMAR CHOUBEY)**

(a) & (b): No such information is maintained centrally. However, action is taken by the Medical Council of India/State Medical Council against the erring negligent doctors as per the provisions contained in the Indian Medical Council (Professional Conduct, Etiquette and Ethics) Regulations, 2002.

Further, as per the information provided by the Board of Governors in Supersession of Medical Council of India (BoG-MCI), there has been one case of a doctor whose name was permanently erased from the Indian Medical Register as well as from Delhi Medical Council and Bihar council of Medical Registration.

(c) & (d): As informed by the BoG-MCI, there is no such report, where the orders by MCI, have been rejected by State Medical Council.
