ODISHA PEOPLE ABROAD

3976. MS. CHANDRANI MURMU:

Will the Minister of EXTERNAL AFFAIRS be pleased to state the details of total number of people from Odisha going to different countries during the last three years and for which purposes including the details of male and female (district-wise) and the type of jobs they are doing there?

ANSWER

**THE MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS
[SHRI V. MURALEEDHARAN]**

The Ministry of External Affairs does not capture detailed State-wise data on persons going abroad. The Ministry has data on emigration check required (ECR) passport holders and nurses who go for employment to the 18 ECR designated countries, as such persons need to take clearance through the E-migrate platform before being allowed to emigrate. According to this data, the number of persons who have emigrated from the State of Odisha district-wise, for employment may be seen at Annexure 'A'.

Majority of the workers have gone for work in Construction, welding, carpentry and technical sector.
