The projects “Construction of Bartary SH-2 to Tarakandi via Muhiaand Moinbori road, Barpeta district”(with cost of Rs. 45.61 crores) and “Construction of RCC bridge no. 1/1 on Dalguma Chaysimana Road, Barpeta district”(with cost of Rs. 79.80 crores) though included in the shelf of projects sent by government of Assam, have not been included in the prioritized list of projects within their Normative Allocation under NESIDS for the year 2020-21.
