(e): The concerned Administrative Authorities process for action on receipt of advice of CVC. However, cases pertaining to corruption, *inter-alia*, involve detailed scrutiny and analysis of voluminous case records and evidence, consultation with CVC, State Governments and other related agencies, etc. In some cases, court directions/stay may have a bearing on time taken in disposal of cases. Nonetheless, the CVC regularly reviews pending cases and wherever inordinate delays are observed in implementation of its advices, the matter is pursued with the concerned Administrative Authorities.
