**STATEMENT REFERRED TO IN REPLY TO PARTS (a) TO (c) OF UNSTARRED QUESTION NO. 4099 BY SHRI ANUBHAV MOHANTY TO BE ANSWERED IN LOK SABHA ON 18.03.2020 REGARDING REDEVELOPMENT PROGRAMME**

**(a) and (b): Yes, Sir. It is Railways' endeavour to redevelop Railway stations by leveraging real estate potential of sparable railway land and air space in and around the station. For this, Railway conducts techno-economic feasibility studies of stations across the country. Based on the outcome of these feasibility studies, stations are taken up for redevelopment in phases.**

**The work of redevelopment is in progress at Gandhinagar and Habibganj railway stations. Contracts have been awarded for redevelopment of Gomtinagar, Anand Vihar, Bijwasan and Chandigarh railway stations.**

**(c): Station redevelopment program, at this scale, is first of its kind and complex in nature and requires detailed techno-financial feasibility studies and various statutory clearances from Urban / local bodies etc. Therefore, no time-frame can be indicated at this stage.**
