ANSWER

MINISTER OF RAILWAYS AND COMMERCE & INDUSTRY

(SHRI PIYUSH GOYAL)

(a) to (d): As per Pink Book 2019-20, work of construction of 66 Road over Bridges (ROBs) are sanctioned in Rajasthan, out of which 10 ROB_s have been fully completed and 56 ROB_s are in progress.

Normally, Railway undertakes construction of ROB_s in Railway portion whereas approaches are being constructed by State Government. Generally, there is no problem of construction of ROB_s in Railway portion. However, it is difficult to construct ROB_s on approaches because it

depends upon many factors such as availability of land, removal of encroachments, fixing the alignment of approaches, allocation of requisite funds etc. Therefore, it is not possible to fix the time schedule for construction of ROBs projects.
