Minister of State (IC) in the Ministry of CIVIL AVIATION

तागर विमानतल मंत्रालय में राज्य मंत्री (स्वतंत्र प्रभार)

(Shri Hardeep Singh Puri)

(a) & (b): Yes, Sir. Developing and modernizing the airways is an ongoing process and based on the operational requirements, Airports Authority of India (AAI) has successfully established/modernized its air navigation services during the last six years. Also, AAI has prepared an action plan to further strengthen the airways by way of conversion of entire continental airspace into Performance Based Navigation airspace, implementation of Space Based Automatic Dependent Surveillance-Broadcast etc.

(c): Does not arise in view of the above.
