- (b) the details of the amount spent on making people skilled under skill development training during last five years;
- (c) the number of courses which are being run to make people skilled;
- (d) the names of the institutes against whom action has been taken due to their involvement in irregularities during last five years; and
- (e) the number of institutes which have stopped implementing skill development schemes or the ones in which the same have been stopped?

ANSWER

**MINISTER OF STATE IN THE MINISTRY OF
SKILL DEVELOPMENT AND ENTREPRENEURSHIP
(SHRI R. K. SINGH)**

- (a) No Sir, no discrepancies have been found in data of employment and self-employment of skilled youth being presented under skill development training.
- (b) Under Pradhan Mantri Kisan Vikas Yojana (PMKVY) (2016-20), funds amounting to Rs. 6,221.39 Cr. have been released to implementing agencies i.e. National Skill Development Corporation (NSDC) and States/Union Territories/State Skill Development Missions for the implementation of the scheme.
- (c) Under PMKVY (2016-20), training is being imparted across 37 sectors encompassing more than 450 NSQF (National Skill Qualification Framework) aligned job roles.
- (d) Under PMKVY (2016-20), penalty grid has been formulated for taking action against erring / non compliant training centres. Based on the penalty grid, NSDC has suspended training centres for non-compliance of PMKVY guidelines on multiple parameters and periodically publishes the list of such suspended centres on PMKVY website. As on 13.01.2020, 304 Training Centres/Training Partners have been suspended across different locations.
- (e) Under PMKVY (2016-20), as on 17.03.2020, 14,303 training centres (TCs) were cumulatively empanelled under short term training over the scheme period. Of these presently 2,960 TCs are operational.
