- (b) the names of villages selected for construction of houses in Durg Parliamentary Constituency and the phases fixed by the Government for the said work along with the details thereof?

**ANSWER**  
 MINISTER OF RURAL DEVELOPMENT  
 (SHRI NARENDRA SINGH TOMAR)

(a) & (b): To achieve the objective of “Housing for All” by 2022, target is construction of 2.95 crore houses under Pradhan Mantri Awaas Yojana – Gramin (PMAY-G) across the country. The total number of eligible households in the Permanent Wait List (PWL) for providing assistance under PMAY-G in Durg district of Chhattisgarh, as on 18.09.2020, is 32,695, out of which 23,077 houses have been sanctioned and 15,280 houses have been completed in Durg district. Further, the block-wise Gram Panchayats (GPs) of Durg district of Chhattisgarh covered under PMAY-G are given at **Annexure**.

As per the Framework of Implementation of PMAY-G, there are 7 stages for construction of houses namely house sanction, foundation, plinth, windowsill, lintel, roofcast and completed stages. The States/UTs, in the beginning of the financial year, decide the total number of installments (at least 3) and the amount in each installment to be paid to the beneficiary for house construction. All States/UTs must mandatorily pay the first installment at the time of sanction. Other than the first installment, the States/UTs shall have to map the remaining installments with the stages/levels of construction as per their decision. In the State of Chhattisgarh, the installments are given in 4 stages i.e at the time of house sanctioned, plinth, roof cast and then last one on completion of the house. The details of amount of the installments are given below:-

Sl. No.	Installment	Amount (in Rs.)
1.	First	25,000/-
2.	Second	40,000/-
3.	Third	40,000/-
4.	Fourth	15,000/-
