- v. **Accessible India Campaign:** The Department of Empowerment of Persons of Disabilities launched the Accessible India Campaign in December 2015 with the vision of creation of barrier free environment for independent and safe living of Persons with Disabilities. The Campaign is being implemented under 3 components namely the Accessible Built-Up Environment, Accessible Transportation System and Accessible ICT Eco-System. While education, training and rehabilitation do not directly fall under the domain of the Accessible India Campaign, however, under AIC, following initiatives have been taken for making schools as well as educational services accessible for Children with Special Needs:

- As reported by Department of School Education and Literacy (DoSEL) in December 2019, approximately 61% schools had been provided with ramps and 22% with accessible toilets. Content on accessibility has been integrated by NCERT in classes 1 to 12 and B.Ed. syllabus as well as State Board. Under its Samagra Siksha Abhiyan, provisions have been made for in-service training of teachers, training of special educators, stipend for girl students, among others.
- UGC has also taken efforts in getting accessibility in colleges and universities.

- vi. **Central Sector Scheme of “Support for Establishment/ Modernization / Capacity Augmentation of Braille Presses:**

The Department is implementing a Central Sector Scheme of “support for establishment, modernization, capacity augmentation of Braille Presses” with following objectives:

- To establish 18 new Braille Presses in the state where strong organization are already present;
- To establish 03 small scaled Braille printing presses in UTs;
- To modernize 12 old Braille presses using traditional and low speed printing; and
