

GOVERNMENT OF INDIA
MINISTRY OF WOMEN & CHILD DEVELOPMENT

LOK SABHA
STARRED QUESTION NO. 2272
TO BE ANSWERED ON 23.09.2020

MALNUTRITION AMONG CHILDREN

2272. DR. MOHAMMAD JAWED:

Will the Minister of WOMEN AND CHILD DEVELOPMENT be pleased to state:

- (a) the number of malnourished children in the country State/UT-wise including Bihar;
- (b) whether malnourishment among children across the country has been increasing over the years
- (c) if so, the details thereof during the last three years, State/UT-wise including Bihar;
- (d) whether the Government is planning to issue new guidelines to address the issue of malnutrition among children;
- (e) if so, the details thereof; and,
- (f) the funds proposed to be sanctioned for this purpose and the time by which the guidelines are likely to be issued?

ANSWER

MINISTER OF WOMEN AND CHILD DEVELOPMENT
(SHRIMATI SMRITI ZUBIN IRANI)

(a) to (f) As per the report of NFHS-4 conducted in 2015-16, 35.7% children under 5 years of age are underweight and 38.4% are stunted. As per the report of Comprehensive National Nutrition Survey (CNNS) (2016-18), the prevalence of underweight and stunting among children is 33.4% and 34.7% respectively, which indicates a reduction when compared to the levels reported by NFHS-4. The State/UT-wise details including Bihar are annexed.

Under the Anganwadi Services of the Umbrella Integrated Child Development Services (ICDS) Scheme, Supplementary Nutrition is provided to children under 6 years of age in the form of Take Home Ration, Morning Snacks and Hot Cooked Meals as per the provisions of the National Food Security Act, 2013. The Supplementary Nutrition is provided to bridge the gap between the Recommended Dietary Allowances (RDA) and the Average Daily Intake (ADI) among this age group as per the nutritional standards specified under Schedule II of the Act. Severely malnourished children are provided additional nutrition in the form of food supplement providing 800 Kcal of energy and 20-25 g of protein. Further, for the management of malnourished children without medical complications at the community level, the Composite guidelines have been drafted by the Ministry based on the recommendations of the all stakeholders.

Under the Umbrella ICDS Scheme, in order to address the issue of malnutrition, Rs. 20532.38 crores, Rs. 3700 crores, Rs. 2500 crores and Rs. 250 crores have been proposed for the year 2020-21 for implementation of Anganwadi Services, POSHAN Abhiyaan, Pradhan Mantri Matru Vandana Yojana (PMMVY) and Scheme for Adolescent Girls (SAG) respectively.

Statement referred to in reply to part (a) of Lok Sabha Un-starred Question No. 2272 due for answer on 23.09.2020, raised by Dr. MOHAMMAD JAWED
