**ANSWER**

वाणिज्य एवं उद्योग मंत्री (श्री पीयूष गोयल)

**THE MINISTER OF COMMERCE & INDUSTRY  
(SHRI PIYUSH GOYAL)**

**(a) & (c):** With a view to support, facilitate and provide investor friendly ecosystem to investors investing in India, Government is working hard to institutionalize investor-friendly reforms. Following are some of the steps taken by the Government in this regard :-

- i. Govt. has set up an **Empowered Group of Secretaries (EGoS)** for investment facilitation, chaired by Cabinet Secretary, with CEO, Niti Aayog, Secretary, D/o Commerce, Secretary, D/o Revenue, Secretary, D/o Economic Affairs and Secretary, DPIIT as Members, with a view to attract increased investments into India and provide investment support and facilitation to global investors.
- ii. **Project Development Cells (PDCs)** are being set up in Ministries/ Departments to fast-track investments with coordination between the Central Government Ministries and

State Governments and thereby grow the pipeline of investible projects in India and increase domestic investments and FDI inflows. Investment outreach is continuously being done through respective sector specific Ministries/Departments, State Governments and Indian Missions abroad. Investment identification of potential investors, handholding and investment facilitation is done through Invest India.

- iii. In addition to ongoing schemes to boost domestic investments in India , a number of **other measures** have also been taken which include the National Infrastructure Pipeline, reduction in Corporate Tax, easing liquidity problems of NBFCs and Banks and various policy measures **to boost domestic manufacturing.**
- iv. Domestic manufacturing of goods is also being promoted through Public Procurement Orders, Phased Manufacturing Programme (PMP) and Schemes for Production Linked Incentives of various Ministries.

**(b):** No centralized data with regard to manufacturing units is maintained by the Department.

**(d) & (e):** A national level land bank is being developed by integrating Industrial Information System (IIS) with State Industrial GIS (Geographical Information System). Many States already have such systems in place which provide plot level information, including information of allotted and vacant industrial plots. Integration of the IIS with State Industrial GIS of 6 States, namely, Haryana, Uttar Pradesh, Telangana, Gujarat, Odisha and Goa has so far been completed and the GIS enabled land bank under IIS has been launched by the Department on 27<sup>th</sup> August,2020. Other States are being added on ongoing basis.
