**ANSWER  
THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND

(SHRI ASHWINI KUMAR CHOUBEY)**

(a) to (c): “Public Health and Hospitals” being a State subject, the primary responsibility of construction of public health facilities lies with respective State Government. However, Under National Health Mission (NHM) support is provided to States for strengthening of their health care facilities including construction of health facilities, based on the proposal received from respective States/ UTs.

As informed by the State Govt. of Jharkhand, no such 300- bed hospital has been sanctioned at Mahagama in Godda district of Jharkhand.
