(d): Yes, Sir. Food Corporation of India (FCI) has been pursuing infusion of equity capital. Due to this it was decided by Department of Economic Affairs in its meeting held on 11.01.2018 to provide additional equity of Rs.5,000 crore for working capital requirement and after seeking the approval of Cabinet Committee on Economic Affairs (CCEA) in respect of increase in the authorized capital limit of FCI from Rs.3,500 crore to Rs.10,000 crore, this Department infused equity as mentioned below:-

Financial Year	Equity infused (Rs.in crore)
2018-19	Rs.500
2019-20	Rs.1000
2020-21	Rs.1000

In the budget of 2021-22, provision for Rs.2500 crore has been made by Government of India.

**(e): Due to these outstanding dues, Food Corporation of India's operations are not hampered as Government of India has provided adequate funds through National Small Saving Funds (NSSF) from time to time to meet the operational requirement. The gap, if any, has been filled by availing short-term loans from various banks. Further, additional provision has been made in Revised Budget Estimate for F.Y. 2020-21 and Budget Estimate for F.Y. 2021-22, which will significantly reduce the NSSF borrowings of FCI.**

**(f): In view of the above, question does not arise.**
