(a) to (f): A statement is laid on the Table of the House

**STATEMENT REFERRED TO IN REPLY TO LOK SABHA  
STARRED QUESTION NO. 260 \* FOR 12<sup>TH</sup> MARCH, 2021**

(a) Yes sir. The Central Council of Indian Medicine (CCIM) has notified Indian Medicine Central Council (Post Graduate Ayurveda Education) Regulation, 2016 vide Gazette Notification dated 7<sup>th</sup> November, 2016, wherein details of all PG surgical courses in Ayurveda including nature/expertise/qualifications of the faculty entrusted with training the students of the course are mentioned. The IMCC (Post Graduate Ayurveda Education) Regulation, 2016 in detail is available in public domain and can be accessed at <https://www.ccimindia.org/pdf/rul-reg-mse-ay-2016-9.pdf>

(b) As mentioned in said regulation, postgraduate students shall have to undergo study for a period of three years after the admission. Total 58 surgical procedures that PG scholars of Shalya (General Surgery) and Shalakya (Diseases of Eye, Ear, Nose, Throat, Head, Oro-Dentistry) streams (cumulatively) need to be practically trained are notified vide the Indian Medicine Central Council (Post Graduate Ayurveda Education) Amendment Regulations, 2020 dated 19<sup>th</sup> November, 2020. The IMCC (Post Graduate Ayurveda Education) Amendment Regulations, 2020, in detail, is available in public domain and can be accessed at <https://www.ccimindia.org/latestupdate/223208-website.pdf>

(c) & (d) There is no classification of Surgery as allopathic or Ayurvedic, it is a procedural technique. Anaesthesia means drugs that make you unable to feel pain during a surgical procedure. Allopathic Anaesthetic medication, if used, is administered by Anaesthesiologist, wherever required.

(e) Government has permitted to use term 'Doctor' to Practitioners of Indian System of Medicine vide Ministry of Health & Family Welfare's order dated 25<sup>th</sup> November, 2003. Further, as per Practitioners of Indian Medicine (Standards of Professional Conduct, Etiquette and Code of Ethics) Regulations, 1982, it shall be compulsory for a practitioner of Indian medicine to affix the correct degree or diploma before or after his name.

(f) At present, there is no specific data available in this regard. However, some research papers published by the National Institutes and Research Councils under this Ministry are Annexed.
