TO BE ANSWERED ON THE 23RD MARCH, 2021

ONE DISTRICT ONE PRODUCT

*390. SHRI MARGANI BHARAT:
SHRI SYED IMTIAZ JALEEL:

Will the Minister of AGRICULTURE AND FARMERS WELFARE कृषि एवं किसान कल्याण मंत्री be pleased to state:

- (a) the present status of his Ministry's 'One-district One-product' initiative and details of district-specific unique products identified, district-wise and State-wise;
- (b) the manner in which the identified products are proposed to be promoted and exported;
- (c) the manner in which States are pooled in formulating product-specific or district-specific plan to push in identified products;
- (d) the extent to which identifying district-specific products helps in creating better supply chain which, in turn, helps farmers through better price and also food processing entrepreneurs; and
- (e) whether the products selected under this scheme will be integrated into the export value chain, if so, the details and timeframe thereof and if not, the reasons therefor?

ANSWER

MINISTER OF AGRICULTURE AND FARMERS WELFARE
कृषि एवं किसान कल्याण मंत्री (SHRI NARENDRA SINGH TOMAR)

(a) to (e): A statement is laid on the Table of the House.

STATEMENT REFERRED TO IN REPLY TO PARTS (a) TO (e) OF LOK SABHA STARRED QUESTION NO. 390 DUE FOR REPLY ON 23rd MARCH, 2021.

(a) & (b): The Ministry of Food Processing Industries (MoFPI) under Centrally Sponsored Pradhan Mantri Formalisation of Micro Food Processing Enterprises Scheme (PM FME Scheme), provides financial, technical and business support for upgradation of existing micro food processing enterprises. The scheme adopts One District One Product (ODOP) approach to reap the benefits of scale in terms of procurement of inputs, availing common services and marketing of products. ODOP for the scheme has framework for value chain development and alignment of support infrastructure. This scheme is being implemented for a period of five years from 2020-21 to 2024-25 with an outlay of Rs. 10,000 crores. ODOP for 707 districts of 35 State/UTs have been approved by the MOFPI. The Ministry of Agriculture and Farmers Welfare through One District One Focus Produce (ODOFP) for 728 districts of 36 States/UTs converge resources towards ODOP from ongoing centrally sponsored schemes such as Mission for Integrated Development of Horticulture (MIDH), National Food Security Mission (NFSM), Rashtriya Krishi Vikas Yojana (RKVY), Paramparagat Krishi Vikas Yojana (PKVY), schemes of Ministry of Fisheries, Animal Husbandry and Dairying. The district-wise and State-wise list of products is **Annexed**.

(c): State Level Up-gradation Plan (SLUP) by all States/UTs is based on Agriculture production of ODOPs, industrial scenario, market availability etc. It enables the States to identify its product clusters, market linkages, stakeholders, requirement of skill development for beneficiaries, infrastructure support, financial linkages etc.

(d) & (e): Identifying district specific products would lead to the following benefits to the micro food processing entrepreneurs:

- i. Increased access to credit by existing Micro Food Processing entrepreneurs, FPOs, Self Help Groups and Co-operatives;
- ii. Integration with organized supply chain by strengthening branding & marketing;

- iii. Support for transition of existing 2,00,000 enterprises into formal framework;
- iv. Increased access to common services like common processing facility, laboratories, storage, packaging, marketing and incubation services;
- v. Strengthening of institutions, research and training in the food processing sector; and
- vi. Empowers SC, ST and Women Entrepreneurs as the scheme lays special focus on SC, ST and women entrepreneurs.
- vii. Increased access for the enterprises, to professional and technical support.

The scheme envisages strengthening backward and forward linkages, provision of common facilities, incubation centres, training, research and development (R&D), marketing and branding. The enhanced capacity of processing and value addition in agriculture and allied sector products will lead to a better price realization for the farmers. The identified products have potential for both domestic demand and export and will be promoted in a cluster approach through the converged resources of the Government of India.
