Under Saubhagya, the tendering for award of contracts and implementation of works is done by the respective State Power Utilities / Project Implementing Agencies; and in the case of Madhya Pradesh, awards were placed by three utilities viz. (i) Madhya Pradesh Paschim Kshetra Vidyut Vitran, Indore, (ii) Madhya Pradesh Madhya Kshetra Vidyut Vitran Company Limited, Bhopal, (iii) Madhya Pradesh Poorv Kshetra Vidyut Vitran Company Limited, Jabalpur.

The Saubhagya Guidelines do not permit use of the sanctioned amount for any other works. Further, no such request has been received or approved for using the sanctioned amount under Saubhagya for other works.

(c) to (e): Government of India has appointed REC Ltd as the Nodal Agency for the Scheme. As per the Scheme Guidelines, the Nodal Agency shall monitor physical and financial progress of the projects including quality of works through a three tier mechanism of (i) quality control of turnkey contractor, (ii) quality control of PIA through Project Management Agency (PMA) and (iii) quality control exercised by the nodal agency i.e. REC. No irregularities have been reported by the State Government of Madhya Pradesh or the DISCOMs to REC.

In order to conduct inspections and rectification in an efficient manner, an online quality portal “Sakshya” has been devised by the nodal agency for uploading of observations by quality monitoring agencies and submission of compliances by DISCOMs/PIAs.
