ANSWER

THE MINISTER OF PANCHAYATI RAJ (SHRI NARENDRA SINGH TOMAR)

(a)& (b) The subject Panchayats, which is part of "Local Government", is included in the State List in the Seventh Schedule of the Constitution of India. The implementation of the provisions of Part IX of the Constitution is reviewed by the Ministry of Panchayati Raj (MoPR) from time to time through studies and discussions in review meetings with the States. The performance of the Panchayats depends on the extent of powers and resources devolved to them, which varies from State to State. The performance of Panchayats is also monitored by the State Governments. MoPR supports States in building capacities of Panchayats for rural governance. It also helps States in developing guidelines for participatory planning by Panchayats and preparation of Gram Panchayat Development Plans; bring in efficiency, transparency and accountability for achieving development objectives. Further, with a vision to digitalize Panchayati Raj Institutions (PRIs) for empowering rural India, Ministry has developed a simplified work based accounting application eGramSwaraj (egramswaraj gov.in) to address various aspects of Panchayat functioning including planning, budgeting, implementation, accounting and monitoring to make them more transparent, accountable and effective as organs of decentralized self-governing institutions. The Ministry has also launched the application of AuditOnline with a view to ensure timely online availability of audited accounts of Panchayats.
