MINISTER OF MICRO, SMALL AND MEDIUM ENTERPRISES

- (a): Ministry of MSME is implementing the following schemes for advancement and development of Small Scale Industries (SSIs) in the rural and backward areas of the country:
- i. **Prime Minister's Employment Generation Programme (PMEGP)** is a major credit-linked subsidy programme aimed at generating self-employment opportunities through establishment of micro-enterprises in the non-farm sector by helping traditional artisans and rural/urban unemployed youth.
  - ii. Ministry is implementing **Scheme of Fund for Regeneration of Traditional Industries (SFURTI)** to organize traditional industries and artisans into clusters to make their products competitive and provide the artisans with sustainable employment.
  - iii. Ministry is implementing **Micro and Small Enterprises-Cluster Development Programme (MSE-CDP)** to create Common Facility Centres, Infrastructure Development and Flatted Factory Complexes by organizing 20 or more industries of similar value chain into clusters.

- iv. Under **Credit Guarantee Scheme for Micro and Small Enterprises (CGTMSE)**, collateral free credit facility (term loan and/or working capital) is extended by lending institutions to new and existing micro and small enterprises, including retail activity. The guarantee cover provided under CGTMSE extends from 50% to 85% for credit up to Rs. 2 crore.
- v. Under **Credit linked Capital Subsidy Scheme (CLCSS)**, 15% up front capital subsidy is provided on institutional credit up to Rs. 1 cr for technology upgradation/induction in identified sectors.
- vi. Under **Interest Subvention Scheme (ISS)**, 2% interest subvention on fresh or incremental loans maximum up to Rs. 1 crore are given to MSMEs who have valid GSTN number and Udyog Aadhar number.
- vii. Under **Procurement and Marketing Support Scheme**, market exposure to goods and services produced by the MSMEs are provided through marketing initiatives like organizing/participation in Trade Fairs, Exhibitions, etc.

(b): The Ministry of MSME has been pursuing MSMEs to register themselves on Udyog Aadhaar Memorandum (UAM) portal. Till 30.06.2020, 73,34,312 Micro and Small Enterprises (MSEs) have been registered out of the total 6.33 crore MSMEs. From 01.07.2020, a new improved portal has been started namely 'Udyam'. Under this portal 19,11,303 MSEs have been registered till 08.02.2021. Based on the data from these portals, the number of MSEs registered State/UT - wise in the country including the State of Tamil Nadu, investment made therein and the employment opportunities generated during each of the last three years and the current year (up to 08.02.2021) are given at **Annexure**.

(c) & (d): Studies have been conducted by National Small Industries Corporation (NSIC) and Khadi and Village Industries Commission (KVIC) to assess the impact of COVID-19 Pandemic on MSMEs including units set up under Prime Minister's Employment Generation Programme (PMEGP).
