ANSWER

MINISTER OF MICRO, SMALL AND MEDIUM ENTERPRISES
(SHRI NITIN GADKARI)

(a): Under the Scheme of Fund for Regeneration of Traditional Industries (SFURTI) Scheme, traditional industries and artisans are organized into clusters to add value to their production and enhance their income by supporting them in:

- (i) Up-gradation of infrastructure by developing Common Facility Centers (CFCs) with latest machineries and creation of Raw Material bank,
- (ii) Training and skill development of artisans, exposure visits, product development,
- (iii) Developing new market linkages, including e-commerce tie ups,
- (iv) Partnerships with institutes of eminence for creation of new designs, etc.

(b) & (c): A list showing the number of clusters approved since 2014-15 till 31.1.2021, amount of funds allocated for each cluster and number of artisans & weavers assisted is given at Annexure. In Bihar and Uttar Pradesh, 3928 and 10624 artisans and weavers respectively are likely to be benefitted under the scheme.

(d): Between 2014-17 it was proposed to set up 71 SFURTI clusters and during 2018-20, it was proposed to set up 100 SFURTI clusters. As against this, 335 clusters have been approved, of which 82 clusters are functional. Rs.785 cr. is committed for these 335 clusters which will benefit about 1.99 lakh artisans.

Annexure referred to in reply to part (b) & (c) of the Lok Sabha Un-Starred Question No.1770 for answer on 11.02.2021.
