उत्तर  
ANSWER  
वस्त्र मंत्री (श्रीमती स्मृति जूबिन इरानी)  
MINISTER OF TEXTILES  
(SMT. SMRITI ZUBIN IRANI)

**(a) & (b):** As on 31.10.2020, there are 1241 operational and 563 inoperative/closed spinning mills in the country. The details of State-wise number of operational and closed mills are at Annexure- I. Closure of most of the mills took place before 2015.

**(c):** There is no specific scheme for revival of closed spinning mills. Some of the mills are closed due to poor obsolete technology which cannot compete with modern spinning mills. There is surplus modernized spinning capacity in the country and Govt. is now focusing on creating similar modern weaving, processing and garment production capacity in the country, which has more employment creation potential. To this objective Govt. is implementing Amended Technology Up-gradation Scheme (ATUFS), Integrated Processing Development Scheme (IPDS), Scheme for Integrated Textile Park (SITP) and other Schemes like Technology Mission on Technical Textile (TMTT).

**(d):** As informed by M/o Labour & Employment, the Labour Bureau is not collecting information on skilled & unskilled workers for such textiles mills.

**Annexure-I****State wise Spinning Mills in the Country (Non-SSI) as on 31.10.2020**
