Further, in order to boost exports in Man-Made Fibre (MMF) sector, Government has removed anti-dumping duty on PTA, a key raw material for the manufacture of MMF fibre and yarn. Government has also removed anti-dumping duty on acrylic fibre, raw material for yarn and knitwear industry. Assistance is also provided to exporters under Market Access Initiative (MAI) Scheme. Government has enhanced interest equalization rate for pre and post shipment credit for exports done by MSMEs including textiles sector from 3% to 5% w.e.f. 02.11.2018. Benefits of Interest Equalization Scheme has been extended to merchant exporters from 02.01.2019 which was earlier limited to only manufacturer exporters.
