SHYAMA PRASAD MUKHERJEE RURBAN MISSION

2521. DR. HEENA GAVIT:
DR. SHRIKANT EKNATH SHINDE:
DR. SUJAY RADHAKRISHNA VIKHE PATIL:
SHRI DHAIRYASHEEL SAMBHAJIRAO MANE:
SHRI UNMESH BHAIYYASAHEB PATIL:

Will the Minister of RURAL DEVELOPMENT be pleased to state:

- (a) the current status of implementation of the 'Shyama Prasad Mukherjee Rurban Mission' (National Rurban Mission) and the details of the funds sanctioned and released to Maharashtra;
- (b) the details of the number of projects and the villages selected under the scheme in Maharashtra, district-wise;
- (c) the number of people benefitted under the mission and the manner in which it is linked to increasing rural investment, improving rural development and employment, and addressing forced migration to urban areas; and
- (d) the level of participation of people in the selection and development of 'Rurban Clusters' and the extent to which the selection is based on needs, income, vulnerability and level of development?

ANSWER
MINISTER OF RURAL DEVELOPMENT
(SHRI NARENDRA SINGH TOMAR)

(a) & (b) Under the Shyama Prasad Mukherji Rurban Mission (SPMRM), 20 Rurban clusters have been allotted to the state of Maharashtra. Integrated Cluster Action Plans (ICAPs) for all 20 clusters have been approved. Detailed Project Reports (DPRs) for 19 clusters have also been approved and on-ground works are at various stages. The details of the number of projects and villages selected with district names in the State of Maharashtra, as per the MIS entries done by the State, is given at Annexure-1. Details of the works sanctioned and completed under SPMRM are given at **Annexure-2** and status of funds released is given at **Annexure-3**.

(c) Though the Mission is not beneficiary oriented, Gram Sabhas that form part of the clusters are involved in formulation of ICAPs and DPRs, which are further approved by the district administration and the State Level Empowered Committee (SLEC) under SPMRM. The mission focuses on developing such rural areas by provisioning of economic, social and physical infrastructure facilities. There are 21 components envisaged for each cluster which is

given at **Annexure-4**. Development of cluster hinges around development of spatial plans and infrastructure development. In addition works are taken up for augmentation of sustainable livelihood activities.

(d) Gram Sabhas that form part of the clusters are involved in formulation of ICAPs and DPRs, which are further approved by the district administration and the State Level Empowered Committee (SLEC) under SPMRM. Cluster Selection is done finally by the State as per the guidelines based on the selection of sub-districts by the Ministry of Rural Development. Cluster selection is done based on methodology defined in the Framework of Implementation which is given at **Annexure-5**.

Cluster Selection Criteria under SPMRM

There are two categories of clusters under SPMRM: Non-Tribal and Tribal and the process of selection varies for each of these categories.

Non-Tribal Clusters: For selection of Non-Tribal clusters, the Ministry provides a list of leading sub districts to each State, within which the clusters could be identified. The selection of these sub districts by the Ministry is based on parameters such as (i) Decadal Growth in Rural Population (ii) Decadal Growth in Non-Farm work force participation (iii) Presence of Economic Clusters (iv) Presence of places of Tourism and Pilgrimage significance and (v) Proximity to Transport Corridors.

Tribal Clusters: For identification of the tribal clusters, the Ministry selects the leading sub districts falling within the top 100 tribal districts of the country, based on the Scheduled Tribes population. The selection of these sub districts is based on parameters such as (i) Decadal growth in Tribal Population (ii) Current Tribal Literacy Rate (iii) Decadal growth in Non- Farm Work force participation (iv) Decadal growth in Rural Population and (v) Presence of Economic Clusters.
