### GOVERNMENT OF INDIA MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE

# LOK SABHA UNSTARRED QUESTION NO. 2946 TO BE ANSWERED ON 12.03.2021

#### **Increase in Forest Cover**

#### 2946. SHRI MOHAN MANDAVI:

Will the Minister of ENVIRONMENT, FOREST AND CLIMATE CHANGE be pleased to state:

- (a) the details of the schemes being implemented by the Government to increase the forest cover in rural and urban areas of the country;
- (b) if so, the details thereof, State/UT-wise;
- (c) whether any new guidelines have been issued by the Government for encouraging plantation across the country; and
- (d) if so, the details and the outcome thereof, State/UT-wise?

#### **ANSWER**

# MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE (SHRI BABUL SUPRIYO)

- (a) and (b) The National Forest Policy 1988 envisages the national goal to have a minimum of one- third of the total land area under forest or tree cover and two-third of the area under such cover in the hill and in mountainous regions of the country in order to prevent erosion and land degradation and to ensure the stability of fragile ecosystem. In consonance with NFP, 1988 Ministry has been taking several initiatives, to increase the forest and tree cover in rural and urban areas of the country as under:
  - i. For preservation and protection of forest & wildlife, various laws including the Forest (Conservation) Act 1980, Indian Forest Act, 1927, Wildlife Protection Act 1972, and other central/state laws as applicable to a State/UT, are implemented by the respective State Government /UT Administration. The Ministry also provides financial supports to the States /UTs under Forest Fire Prevention and Management Scheme for protection against forest fire.
  - ii. The MoEFCC is implementing two major afforestation schemes namely National Afforestation Programme (NAP) for tree plantation in degraded forests through people's participation and National Mission for a Green India (GIM), An area over 2 million hectare was sanctioned for taking up afforestation in the States/Union Territories (UTs) with an investment of about Rs. 3896 crores till 2019-20 under NAP since its launching year 2000 and under GIM an amount of about Rs. 343 crore has been released to States/UTs since 2015-16 to 2019-20. The State-wise details are given in Annexure I.
  - iii. The Government of India has disbursed an amount of Rs. 48477.77 crore from National Fund to 31 State funds as share of respective States as per

- Compensatory Fund Act, 2016 till 31.01.2021. State/UT wise details are given in Annexure I.
- iv. The MoEFCC encourages plantation/ afforestation through people's participation under Nagar Van Yojana (NVY) for protection of urban forests. The scheme aims at creation of 200 Nagar Vans in different States during the period of 2020-21 to 2024-25.
- v. Further, tree plantation, being a multi-departmental, multi-agency activity, are also being taken up cross-sectorally under various programmes/funding sources of other ministries/ organizations and also through State Plan budgets.
- vi. The Department of Agriculture Cooperation & Farmers Welfare (DAC & FW) is implementing Sub-Mission on Agroforestry (SMAF) under National Mission for Sustainable Agriculture (NMSA) since 2016-17 as part of the recommendation of the National Agroforestry Policy 2014 to promote plantation on farmlands. The scheme is being implemented in the States which have liberalized transit regulations for selected tree species. At present scheme is being implemented in 20 States and two UTs.
- vii. As per information received from Ministry of Housing and Urban Affairs, under Atal Mission for Rejuvenation and Urban Transformation (AMRUT), 1776 No. of parks over 3500 acres of land have been developed in the Mission cities which also contributed to the urban green cover.
- viii. Afforestation and tree planting activities, including in non-forest areas, are also taken up under various programmes/funding sources such as Mahatma Gandhi National Rural Employment Guarantee Scheme, Pradhan Mantri Krishi Sinchayee Yojana and under the schemes/plans of States and UTs.
- (c) The schemes implemented by the Ministry and other Ministries have their specific Guidelines. Further, the Ministry has issued advisories time to time to achieve the annual tree plantation targets with coordinated efforts by various agencies. The Ministry has also advised all States and UT Governments to step up tree planting drive to achieve plantation targets and also to put in place a sound mechanism for coordination and monitoring of tree plantation programme.
- (d) The multi departmental efforts has yielded good results in conserving environment by addressing the problem of deforestation, besides keeping the pace of development, which is evident from the fact that the forest cover has stabilized and has been constantly increasing over the years. The latest 'India State of Forest Report (ISFR, 2019), of Forest Survey of India (FSI), revealed that the total forest and tree cover of the country is 807,276 square kilometres (which is 24.56 percent of the geographical area of the country. The State/UT wise details of Forest and Tree Cover as per ISFR, 2019 is given in Annexure II. There is an increase of about 13,000 square kilometer of forest and tree cover combined when compared to ISFR, 2015, at the national level.
