# GOVERNMENT OF INDIA MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE

# LOK SABHA UNSTARRED QUESTION NO. 2964 TO BE ANSWERED ON 12.03.2021

### **Environmental Review of Hydro-Electric Projects**

### 2964. SHRI PINAKI MISRA:

Will the Minister of ENVIRONMENT, FOREST AND CLIMATE CHANGE be pleased to state:

- (a) the number of hydro electric projects that have received environmental clearances in the Himalayan region;
- (b) whether the Government has considered/proposes to consider a safety and environmental review of all such ongoing projects following the Uttarakhand flood;
- (c) if so, the details thereof and if not, the reasons therefor;
- (d) the status of implementation of the Supreme Court appointed Ravi Chopra Committee recommendations in this regard?

#### ANSWER

# MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE (SHRI BABUL SUPRIYO)

(a) to (c) As per EIA Notification, 2006 hydro-electric projects  $\geq 25$  MW capacity require prior Environmental Clearance. Total 15 Nos. of hydro-electric projects (Category A) have been granted Environmental Clearance (EC) under the provisions of the Environmental Impact Assessment (EIA) Notification, 2006, as amended, since March, 2014 to till date and the details are enclosed at Annexure.

The Ministry of Environment, Forest and Climate Change (MoEF&CC) had constituted an Expert Body (EB) for conducting a Cumulative Impact Assessment of Hydro Power projects and Carrying Capacity Study of upper reaches of Ganga River in Uttarakhand in the year 2015. The Expert Body has recommended the under construction projects to whom EC has been granted.

(d) Ravi Chopra Committee report submitted in April 2014 was further considered by consortium of 7 IITs formed by the MoEF&CC. The issue thereafter examined by the Expert Body constituted to carry out Cumulative Impact Assessment (CIA) & Carrying Capacity Study (CCS) of upper reaches of river Ganga in the State of Uttarakhand. Hon'ble Supreme Court vide Order dated 24.11.2015 directed framing of a common policy framework regarding consideration of Hydropower projects in upper reaches of River Ganga in consultation with Ministry of Power and Ministry of Jal Shakti. The common policy frame work has been prepared for submission before the Hon'ble Supreme Court.
