**ANSWER**

THE MINISTER OF STATE FOR FISHERIES, ANIMAL HUSBANDRY AND DAIRYING

(DR. SANJEEV KUMAR BALYAN)

(a) to (d) The Department is ear-tagging livestock, including cattle, buffaloes, sheep, goats and pigs with a 12-digit Unique Identification Number under the National Animal Disease Control Programme for Foot & Mouth Disease and Brucellosis (NADCP), a central sector scheme. Registration of the animals is by uploading requisite data on the Information Network Animal Productivity and Health (INAPH) platform, a central database. However, there is no exclusive Pashu Aadhar Yojana. Till date 14.62 crore animals have been ear tagged and registered on INAPH in the country.
