GOVERNMENT OF INDIA
MINISTRY OF CIVIL AVIATION
LOK SABHA
UNSTARRED QUESTION NO. : 3841
(To be answered on the 18th March 2021)

NEW AIRPORTS

3841.   SHRI MANOJ TIWARI
          DR. NISHIKANT DUBEY

Will the Minister of CIVIL AVIATION
          नागर विमानन मंत्री   be pleased to state:-

(a) the details of new airports which have been made functional during each of the last three years, State-wise;
(b) the number of passengers served by these airports since they were made operational;
(c) whether the Government has taken steps for early completion and operational of airport in Delhi NCR and at Deoghar in Jharkhand; and
(d) if so, the details thereof and the time by which these airports are likely to become operational for passengers?

ANSWER

Minister of State (IC) in the Ministry of CIVIL AVIATION
          नागर विमानन मंत्रालय में राज्य मंत्री (स्वतंत्र प्रभार)   (Shri Hardeep Singh Puri)

(a) & (b): Three new greenfield airports namely, Pakyong in Sikkim, Kannur in Kerala and Kalaburagi in Karnataka have been made functional during the last three years. Further, 56 Regional Connectivity Scheme (RCS) - UDAN (Ude Desh ka Aam Nagrik) airports including 5 heliports, 2 water aerodromes and the above three greenfield airports have been operationalized for operating RCS flights across the country. Out of 56 RCS airports, 37 number of RCS airports are unserved airports and commercial operations have started, for the first time in these airports. State-wise list of these airports is at Annexure. Approximately 60 lakh passengers have travelled through RCS flights so far.

(c) & (d): Government of India has granted 'in principle' approval to Government of Uttar Pradesh (GoUP) for setting up of a new greenfield international airport at Jewar, Noida on 08.05.2018. State Government has awarded the project to M/s Zurich Airports International for development of the airport under Public Private Partnership (PPP). Probable Date of Completion (PDC) of Phase-I of the airport development is in 2023-24.

As regards development of Deoghar airport in Jharkhand, Airports Authority of India (AAI) has undertaken the work of development of Deogarh airport to make it suitable for operation of Code 3C VFR (ATR 72) type of aircraft. The Probable Date of Completion (PDC) is June 2021 subject to obligations to be fulfilled by the State Government. However, the timeline for completion of airport project depends upon many factors such as land acquisition, availability of mandatory clearances, financial closure by the individual operator etc.

*****

Statement referred in reply to part (a) & (b) of the Lok Sabha Unstarred Question No. 3841 for answer on 18.03.2021

List of Airports operationalized for RCS flights as on 15.03.2021
