†4178: SHRI VIJAY BAGHEL:  
SHRI ARUN SAO:  
SHRI SUNIL KUMAR SONI:

Will the Minister of TRIBAL AFFAIRS be pleased to state:

- (a) the details of the schemes being implemented by the Government for integrated social development and welfare of the Scheduled Tribes and people living in areas affected by Left Wing extremism;
- (b) whether the Government has allocated adequate funds for the said schemes programmes during the last three years and the current year;
- (c) if so, the details thereof, State/UT-wise including Chhattisgarh; and
- (d) the monitoring system put in place by the Government to monitor the utilization of funds under the said schemes/programmes along with the details thereof?

**ANSWER**

MINISTER OF STATE FOR TRIBAL AFFAIRS  
(SMT. RENUKA SINGH SARUTA)

(a) to (c): Tribal Sub-Plan (TSP), now called as Scheduled Tribe Component (STC) is a dedicated source of fund for tribal development in the country. STC is a multi-pronged strategy which includes support for education, health, sanitation, water supply, livelihood etc. Major part of infrastructure development in tribal dominated areas and provision of basic amenities to tribal people in the country is carried out through various schemes / programmes of concerned Central Ministries and the State Governments concerned, while the Ministry of Tribal Affairs (MoTA) provides additive to these initiatives by way of plugging gaps. Details of schemes being implemented by the Central Government and scheme wise allocation of funds meant for tribal development are reflected in the Union Budget as Statement 10B and the same are available in the public domain at [https://www.indiabudget.gov.in/previous\\_union\\_budget.php](https://www.indiabudget.gov.in/previous_union_budget.php). Overall about 2 lakh Crore is earmarked under STC / TSP for tribal development in a year under various schemes of Central and State Government. Out of which about 80% of the funds are earmarked by the State Government, 17% of the funds rests with Central line Ministries / Departments and remaining 3% allocated through Ministry of Tribal Affairs. Details of fund allocated for tribal development during last three years and current year is as below:

(Rs. in crore)

<b>TSP Component</b>	<b>2017-18</b>	<b>2018-19</b>	<b>2019-20</b>	<b>2020-21</b>
State Component	1,46,625	1,66,262	1,75,349	1,70,004
Central Ministries / Departments	25,045	29,398	38,262	46,308
Funds under MoTA	5,286	5,956	7292	5,473
<b>Total</b>	<b>1,76,956</b>	<b>2,01,616</b>	<b>2,20,903</b>	<b>2,21,785</b>

Details of funds allocated and spent by State Government under their Schemes for welfare and development of STs during 2017-18 to 2020-21 is at **Annexure 1**. Details of funds released under MoTA schemes to the States and other agencies during last three financial years and current fiscal is at **Annexure 2**.

As informed by Ministry of Home Affairs, to address the LWE menace holistically, a National Policy and Action Plan was promulgated in 2015 to address Left Wing Extremism (LWE). It comprises a multi-pronged approach involving security related measures, development interventions, ensuring rights and entitlements of local communities etc. Presently 90 districts are covered under Security Related Expenditure (SRE) Scheme and are considered as LWE affected districts, some of which have substantial population of Scheduled Tribes. Of these 30 districts are considered as most LWE affected for focused attention. Details of such Districts are at **Annexure 3**. Funds released to States under 03 schemes, being implemented by MHA (LWE Division) are given in **Annexure 4**.

On development side, the Central Government has taken several specific measures, apart from the flagship schemes, in the LWE affected districts, to improve road connectivity, Telecomm network and financial inclusion:

- i. Construction of 5422 km roads is envisaged under Road Requirement Plan-I. The scheme is implemented by Ministry of Road Transport & Highways (**MoRTH**). Of these 4970 km roads are constructed. Of these 2046 km roads has been constructed after April-2014.
- ii. The Road Connectivity Project for LWE Affected Areas (RCPLWE), being implemented by Ministry of Rural Development (**MoRD**), was approved in December-2016. Under the scheme 9268 km roads have been sanctioned. Of these 3060 km are completed.
- iii. To improve telecom connectivity, 2335 mobile towers are installed in phase-I of the Mobile Tower Project, Further GoI has approved installation of 4072 mobile towers in phase-II of the Mobile Tower Project in May-2018. These projects are implemented by Department of Telecommunication(**DoT**)
- iv. For financial inclusion of the local populace in these areas, 1170 Bank Branches, 959 ATMs and 12628 Banking Correspondents in 30 Most LWE Affected Districts in last 05 years, by Department of Financial Services(**DFS**).

To give further impetus for development in the most LWE affected districts, funds are provided to the States under 'Special Central Assistance (SCA)' to fill the critical gaps in public infrastructure and services. Till now Rs.2541 crore has been released to the States under the scheme.

(d): In regard to sectoral programmes and schemes of development, progress of works and utilization of funds allocated are done by the respective Central Line Ministries and State Governments as per their laid down schematic norms. During January, 2017, Ministry of Tribal Affairs (MoTA) has been given mandate for monitoring of Tribal Sub-Plan funds based on the framework and mechanism designed by NITI Aayog. Accordingly, an online monitoring system has been put in place with web address <http://stcmis.gov.in>. The framework captures data directly from Public Finance Management System (PFMS) and gives inputs to see through expenditure vis-a-vis allocations under various schemes of Central Ministries / Departments and scheme-wise details of fund released to the State Government.

MoTA has also adopted mechanism of Project Appraisal Committee (PAC) for appraisal, approval and review of projects sanctioned under the scheme 'Special Central Assistance to Tribal Sub-Scheme (SCA to TSS)'. 'Development of Particularly Vulnerable Tribal Groups (PVTGs)' and under Grants under Article 275(1) of the

Constitution of India. The Committee is headed by Secretary (Tribal Affairs) with representatives of State Governments, Financial Advisor, NITI Aayog, etc. During PAC meetings, Ministry emphasizes the need for adherence to the provisions of Tribal Sub-Plan Guidelines by the States. Further, State Tribal Welfare Department have been persuaded through letters to Chief Secretary / Principal Secretary (Tribal Development Departments) / discussions in the meetings for –

- (i) Declaring Tribal Development Department as the nodal Department to lead the process of tribal development.
- (ii) Constitution of Executive Committee as stipulated in the TSP Guidelines to ensure proper planning, coordination and convergence with the State Governments Departments.
- (iii) Address gaps and deficit to mitigate inter-habitation variance / inequalities in the socio-economic status of tribals as compared to other social groups.
- (iv) Allocation of TSP funds as per norms stipulated in the TSP Guidelines.
- (v) Monitoring of TSP in the manner it has been stipulated in the Guidelines.

Further, Ministry of Tribal Affairs has taken following steps to monitor progress of work:

- (i) Ministry of Tribal Affairs has developed an online portal “ADIGRAMS” to ensure effective planning, management and implementation of five schemes/Grants of MoTAi.e. “SCA to TSS”, Conservation-cum-Development of PVTGs”, “MSP to MFP”, “Institutional Support” and “Grant under Article 275 (1) of the constitution. The portal is meant to capture necessary data and information for monitoring of these schemes/grant.
- (ii) Review of physical and financial progress of projects / activities by the Project Appraisal Committee (PAC) of the Ministry while considering the Annual Plan of the States.
- (iii) Mid-term review meeting with States are held under the chairmanship of Secretary(TA).
- (iv) Utilization Certificates and Progress reports regarding the status of implementation of schemes are obtained.
- (v) Officers while visiting States/UTs also ascertain the progress of implementation of various schemes/ programmes of the Ministry of Tribal Affairs.
- (vi) Besides NITI Aayog conduct evaluation studies of the scheme from time to time.
